Note: Production parameters may effect maximum specifications. All dimensions and measurements are based on the subsequent machine configuration: Feed section, 2 print sections, inline die cutter, slotter, folder gluer, and counter ejector. Overall machine dimensions will vary, depending on configuration.

Dimensions are approximate. Cumberland Container reserves the right to change specifications without notice. Productivity, accuracy, tolerance, and similar statements are descriptive without guarantee.

Dimensions pertain only to Cumberland Container original equipment. Additions of any third party equipment may effect the maximum and minimum dimensions stated herein. Contact Cumberland Container Corporation for information on other configurations.
